## Truth-In-Savings Disclosures

Except as specifically described, the following disclosures apply to all of the accounts:

### 1. Rate Information.

The Dividend Rate and Annual Percentage Yield on your accounts are set forth above. For all accounts except certificates, the Dividend Rate and Annual Percentage Yield may change quarterly as determined by the Board of Directors. Checking and Money Market accounts are Tiered Rate Accounts. The Dividend Rate for a particular tier will apply to the entire account balance if the account balance is within the balance range for that tier. The Dividend Rates and Annual Percentage Yields are the prospective rates as of the effective date shown above.

### 2. Nature of Dividends.

Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period. The Dividend Rate and Annual Percentage Yield set forth above are the rates and yields for the last dividend period as set forth above.

### 3. Compounding and Crediting.

Dividends will be compounded and credited as set forth above. For dividend bearing accounts, the Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

#### **4. Accrual of Dividends.**

Dividends will begin to accrue on noncash deposits (e.g., checks) on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, accrued dividends will not be paid.

#### **5. Balance Information.**

The minimum balance required to open each account and earn the stated Annual Percentage Yield is set forth above. If you do not maintain the minimum balance, you will not earn the stated Annual Percentage Yield. For all dividend bearing accounts, dividends are calculated by using the Average Daily Balance method, which applies an average daily periodic rate to the balance in the account for the period. Please see the Fee Schedule on page 3 regarding the minimum balance information to avoid monthly fees.

#### **6. Account Limitations.**

For all accounts except checking accounts, no more than six preauthorized, automatic, or telephone transfers may be made from these accounts to another account of yours or to a third party in any month, and no more than three of these six transfers may be made by check, draft, or debit card to a third party. If you exceed these limitations, your account may be subject to a fee or be closed. For a Christmas account, the entire balance will be transferred to another account of yours on or after October 1 and the account will remain open. Your account is nontransferable and non-negotiable. The funds in your account may not be pledged to secure any obligation of an owner, except obligations with the Credit Union.
